Proposed Leadership Selection Code – Information Session

Council would like to thank the membership for provide their input over the past two years that the proposed Leadership Selection Code has been in development. There will be a final information session regarding the proposed code and the Community Approval Vote (CAV) process to accept the Code.

Information Session
Saturday August 22nd, 2015
11:00 am to 1:00 pm
Community Centre

Currently, our election process is governed by the AANDC and they dictate how we select our leadership. Over 55% of First Nations in Canada, have their own election code and it is believed that Curve Lake First Nation would be better positioned and better governed if we managed this process as a community.

The Voting Day to approve the Code is scheduled for Saturday September 12th, 2015 at the Curve Lake First Nation Community Centre, from 9:00 am to 5:00 pm.

For CLFN Members who reside off reserve, the CAV Officer will mail out all the applicable information about the Community Approval Vote process and a mail-in ballot, at least 30 days prior to the Voting Day.

Please review the attached information which includes a copy of the proposed Curve Lake First Nation Leadership Selection Code, community information bulletin that highlights the changes to the Code and the frequently asked questions sheet.

If you should have any questions about the Leadership Selection Code and/or the Community Approval Vote process, please contact either:

Mike Jacobs,
CLFN Leadership Selection Code Consultant
Crane Aboriginal Management Services
