Aaniin Curve Lake Members;

Council will be hosting a members meeting to provide information that lead to the difficult decision made for the eventual closure of the Seniors Centre. It was incumbent upon us to first speak with the families of the residents, meet with the seniors staff next, then call for the membership to meet.

Council understands the matter is important to all our members and would request that you attend the meeting so you have accurate and full information.

MEMBERS MEETING
MONDAY NOVEMBER 28th, 2016
6:00 PM
