

# ***The Learning Program***

I've been looking for work for a long time. Everyone wants Grade 12. I wish I had finished school!

**If YOU need your Grade 12 equivalency and are 19 years of age or over, we can help.**

## **Why come to The Learning Program?**

- friendly, experienced teacher
- one to one tutoring
- it's FREE

## **What can you get out of it?**

- pass the GED test
- help to prepare for college or apprenticeship
- improved math, reading and writing skills - up to Gr. 12 equivalency

I've been thinking about going to college now that all the kids are in school.

But I don't have my Grade 12. I've been away from school for a long time. I need help!
