

KCHI-MIIGWECH TO EVERYONE who supported the 2017 WOMENS MASTERS FASTBALL TEAM

In particular the Gaming Revenue Fund Committee for approving our GRF application for partial payment of our accommodations, registration fees, performance bond and new jerseys (New Year, New Look)

We want to thank Curve Lake for the use of the Dorothy Jacobs Memorial Ball diamond as well because as you know we have been practicing at least once and possibly twice a week to gear up to this tournament.

Also, to the Community who have been generous and patient with us in purchasing our Raffle tickets and participating in our First Annual Golf Tournament. Donations from Janice McCue and Crystal Cummings were appreciated as well. Miigwech Gals!! Our fundraising efforts were a huge success!!

We were very proud to represent Curve Lake First Nation in our new jerseys and had the most fun ever and look forward to next year. The tournament will be hosted by Sagamok and games will be held in Sudbury in 2018. Hopefully we will have more teams representing Curve Lake.

Last but certainly not least, we want to thank our Coach - Steve Taylor for his patience, good job, Deanna Jacobs for her help as Asst. Coach/Trainer/Scorekeeper - your help was great appreciated. To Arnold Taylor- thank you for bringing water and gatorade to the games and keeping the team hydrated. Good Job!!

Always supporting good sportsmanship, team playing and positive attitudes.
