

Roadshow Artistic Director Lillian Allen and Project Director Jane Doe

**Sexual Assault: The Roadshow** is a participatory art gallery in a shipping container that is travelling to 15 cities and areas in Ontario over a three year period. At each stop, local anti-violence agencies work with local artists and participants to create work that "talks back" to sexual violence. In honour of Sexual Assault Awareness Month, Sexual Assault: The Roadshow will be arriving in Peterborough/Nogojiwanong for the month of May 2017.
