

Members of Curve Lake First Nation are invited to join Council and Staff as we receive a presentation regarding a potential investment opportunity for the community.

Delshen Therapeutics Medical Marijuana has approached us and have prepared a presentation to bring to all interested community members. Hosted by Jacob Taylor of the Pontiac Group, this event will focus on gathering your feedback, developing next steps and determining whether the community has an interest in investments of this scope.

Date: Saturday, April 29, 2017

Time: 6:00pm

Location: Curve Lake Community Centre

We hope that you will join us as we investigate this potential investment for Curve Lake. For additional information, please contact Katie Haddlesey at katieyh@curvelake.ca or 705.657.8045. Miigwetch.
